

# INVESTING IN THE JEWISH FUTURE

## BUILDING CAMPAIGN DONORS

Thank you to those who have made donations and pledges towards the phases of our building renovation campaign. Work on a new roof and new restrooms has already been completed and your support will allow us to finish the project by renovating our student and office spaces. For additional information please contact Jeanne - [director@mizzouhillel.com](mailto:director@mizzouhillel.com)

## WHY RENOVATE?

- Mizzou is the only Missouri State school to have an independent Hillel with a stand-alone building.
- This project creates the space our students deserve, one that reflects our Jewish values and current student lifestyle and expectations.
- This renovation includes a reconfiguration to provide a more versatile space while also providing increased safety and security.
- Replacing worn and outdated fixtures adds value, extends the life of our building, and increases our energy efficiency.
